Why List Your Business On Online Directories?

There are literally hundreds of online directories available on the internet. These directories are designed to help online users locate the websites and information they are looking for.

A screenshot of the Google Places interface. At the top, it says 'Google places' and 'Connecting you with the places you love'. Below this, there are two main sections. The left section is titled 'Rate and share places on Google' and features a smiling woman holding a white card with a red location pin icon. The right section is titled 'Get your business found on Google' and features a woman standing in front of a store window with a large red location pin icon. At the bottom, there are two sub-sections: 'Local recommendations - powered by you and your friends' and 'Claim your business listing on Google - for free'.

They are also a great way to help businesses increase their Internet traffic and improve customer recognition.

What Local Directories Do

There are many reasons why a small business will want to register with the top directories on the web. Directories serve many purposes, such as:

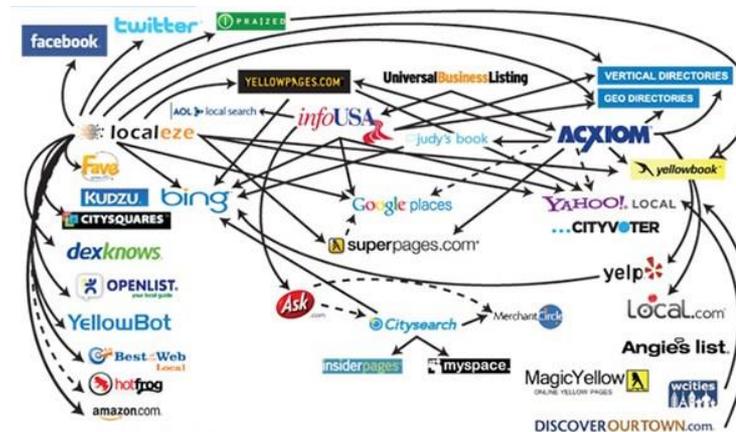

- **Categorizing websites** so that they are easily found using search engines.
- **Linking websites** to one another for easier access.
- **Increasing traffic** to individual websites.
- Providing an easy way for consumers to find out about **specific companies**.
- **Boosting Search Engine Optimization** (SEO) keywords and tactics for businesses so that they receive higher SERPs (search engine result pages) rankings.
- Helping business websites **stand out** to potential consumers.

Results You Can Expect

Getting your small business registered on the top online directories will result in:

- Increased **website traffic**
- Increased **sales/revenue**
- Increased **SERP rankings**
- More **reciprocal links** to your website
- Greater **brand recognition**
- **More interactions** with customers
- The **ability to share** deals, promotions, press releases and other special events with customers.
- A better and more **comprehensive online appearance**

Top Online Directories

In order to gain the most out of your business's website and other online materials you will want to sign your company up for listings in the following online directories:

- **Google Places**
- **Yahoo Local**
- **Bing Places**
- **Yelp**
- **Merchantcircle**
- **Yellow Pages.com**
- **Supermedia**
- **Citysearch**
- **MapQuest**

- **Local.com**
- **Foursquare**
- **LinkedIn**

However, it can be time consuming. So if you decide that you would rather have a professional – someone who specializes in this stuff – do it for you, please do not hesitate to contact us.

Google Places

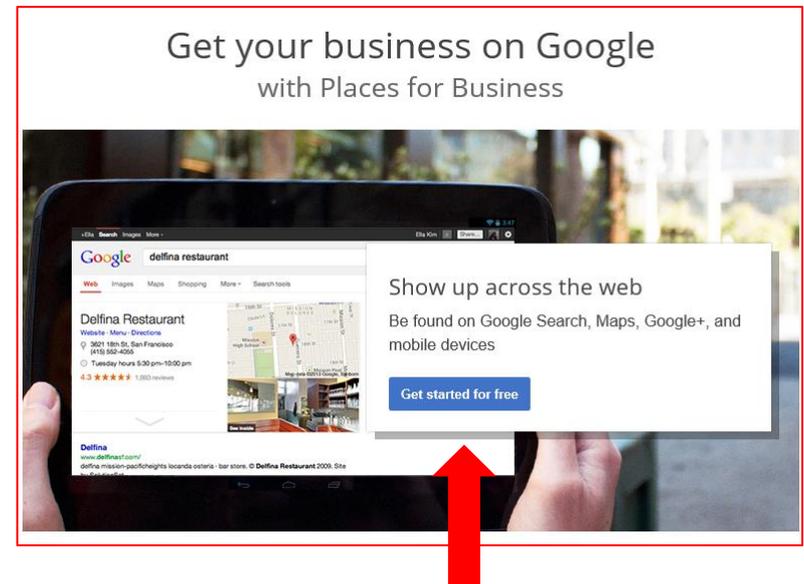

Google Places is a free local platform directory service provided by Google. It allows your business to appear on Google's maps and search engine result pages. It allows to you better interact with your customers.

Google Places allows you to:

- Auto-respond to your customers
- Post live business updates
- Highlight special promotions
- Find out info about your customer base
- Locate business specific keywords and rate their search ability

Google Places is free to use.

To submit your business listing to **Google Places** start by going to <http://www.google.com/business/placesforbusiness/>. Once there click on the 'Get Started for free' button.

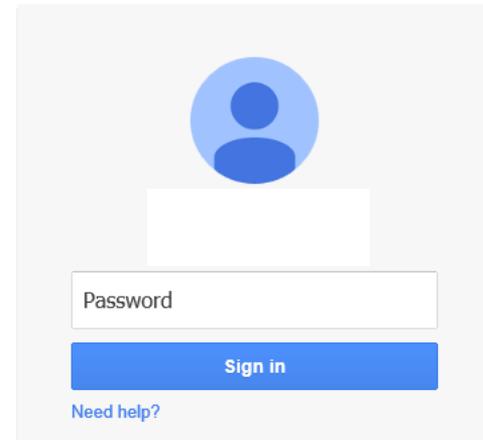

Steps to Submitting Your Business to Google Places

Step 1- Sign into your Google account or create a new Google account for your business. Once you are there the site will direct you to the box that will locate your business information on Google Maps. This will help people find a map of your business when they perform a search.

One account. All of Google.

Start by finding your business

Is your business already on Yelp? Search now to find it or create a new page if we don't have it yet.

Business Name *(e.g. Mel's Diner)* Near *(Address, Neighborhood, City, State or Zip)* Search

Step 1- On the Yelp sign-up page you will start by attempting to locate your business by typing in your business name and where it is located.

Steps to Sign Up for the Yelp Directory

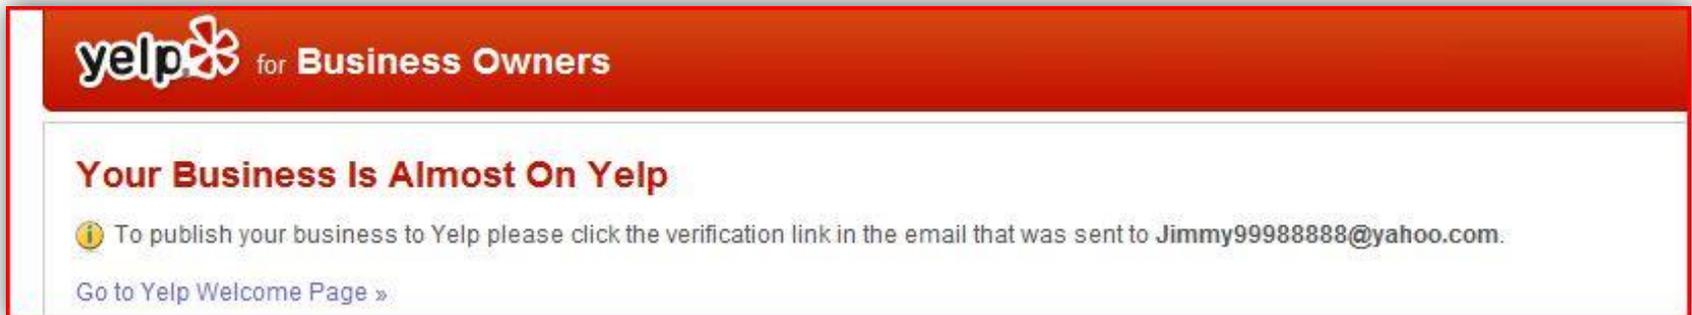

The screenshot shows the 'Add Your Business' form on the Yelp website. The form is titled 'Add Your Business' and includes a note: 'It may take a couple days for your business to show up in search results, but you can start adding business information to your page right away.' The form fields include: Country (United States), Business Name, Address 1, Address 2, City, State, Zip, Phone, Web Address, Hours (Mon 9:00 am to 5:00 pm), Categories, and Your Email Address. There is an 'Add' button at the bottom of the form.

Step 2- If your website is not already listed you can click on the '**Add Your Business**' button.

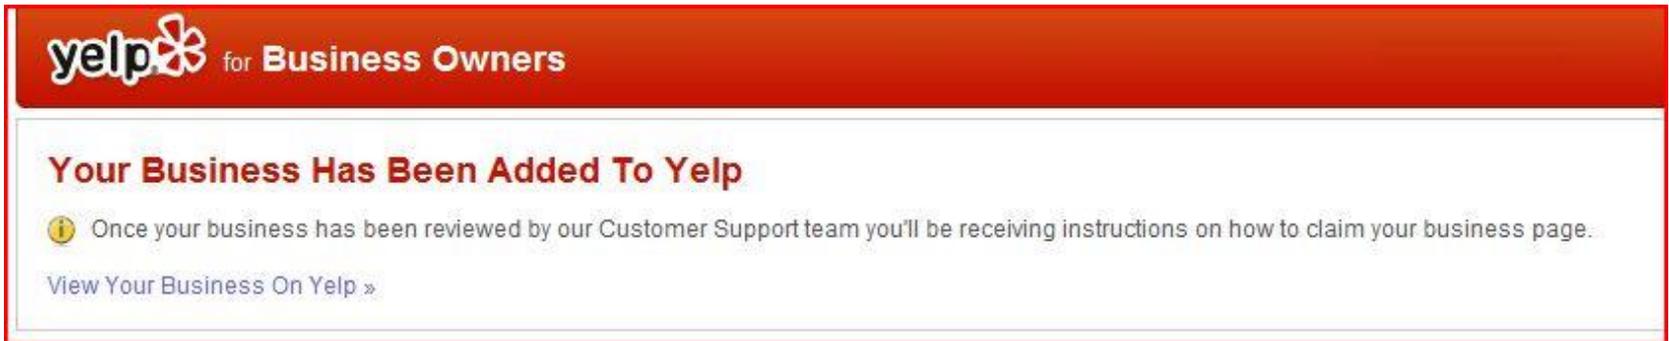

Once there you can fill out your business's information. It will also ask you to fill in an e-mail address.

Step 3- Yelp will send an e-mail verification to the e-mail address you have provided. You must go to that e-mail and click on the verification link.

The screenshot shows the 'Your Business Is Almost On Yelp' confirmation page. The page features the Yelp logo and the text 'Your Business Is Almost On Yelp'. Below this, there is a message: 'To publish your business to Yelp please click the verification link in the email that was sent to Jimmy9998888@yahoo.com.' At the bottom, there is a link: 'Go to Yelp Welcome Page »'.

Step 4- Your business has now been added to Yelp, but you will have to wait until the Yelp Customer Service Team has reviewed your site. Once that process is complete you will receive an **e-mail** with information about your website.

The image shows a screenshot of an email notification from Yelp. At the top, there is a red header with the Yelp logo and the text "for Business Owners". Below the header, the main content area has a white background with a red border. The title "Your Business Has Been Added To Yelp" is in bold red text. Below the title, there is an information icon (a yellow circle with an 'i') followed by the text "Once your business has been reviewed by our Customer Support team you'll be receiving instructions on how to claim your business page." At the bottom of the notification, there is a blue link that says "View Your Business On Yelp »".

Hint- In order for your website to gain credibility on Yelp you should take the time to positively review other local businesses. These businesses may return the favor. **Keep it positive** however if you want your business to establish credibility.

Foursquare

Foursquare is an innovative online social directory for mobile devices. It allows online users to locate local venues and businesses while they are on the go. Creating a **Foursquare** account will increase your business's online presence and allow customers to find you on the go.

To get started go to: <https://foursquare.com/signup/>

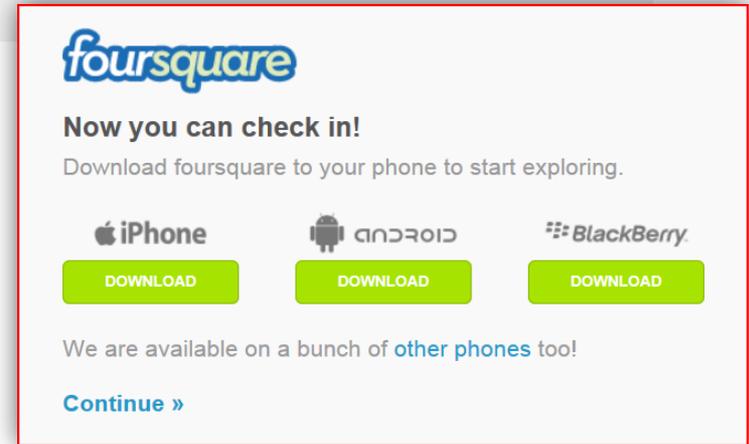

Steps to Setting Up a Foursquare Account

Step 1- Fill in the required information to sign up with FourSquare. Then Click **'Sign Up'**.

The screenshot shows the Foursquare sign-up form with the following fields and options:

- Email***: Text input field.
- Password***: Text input field.
- First Name***: Text input field.
- Last Name**: Text input field.
- Birthday***: Date selection field with MM / DD / YYYY format.
- Gender***: Radio buttons for Female, Male, and Rather not say.
- Profile Photo**: Text input field and a **Browse...** button.
- SIGN UP**: A large green button with a red arrow pointing to it.
- Below the button: "By clicking Sign Up you confirm that you accept our [Privacy Policy](#) and [Terms of Service](#)."
- At the bottom: "Sign up with Facebook" and "Sign up with Google+" buttons.

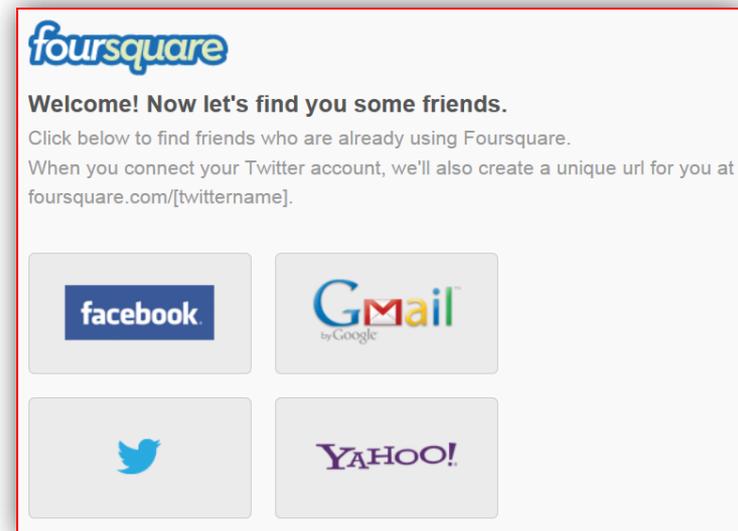

The screenshot shows the Foursquare mobile app download page with the following content:

- foursquare** logo.
- Now you can check in!**
- Text: "Download foursquare to your phone to start exploring."
- Three download buttons for **iPhone**, **ANDROID**, and **BlackBerry**, each with a **DOWNLOAD** button.
- Text: "We are available on a bunch of [other phones](#) too!"
- Continue »** link.

Step 2- You can then download **Foursquare** to your mobile device to start exploring.

Step 3- You will then have the option to connect to other social media outlets, or you can skip this step.

The screenshot shows the Foursquare social media connection page with the following content:

Step 1- Click on the **'Get Listed'** icon at the bottom of the homepage next to **"Got a business?"**

Step 2- You will have a choice between an Enhanced Profile, which you will pay for, or a **Basic Profile, which is free.**

Choose a profile and click **'Get Started'**.

A screenshot of a website's profile selection page. The page is divided into two main sections. The left section is titled "Enhanced Profile" and features a list of benefits: "Get more leads, find more customers!", "Top listing in search results", "Profile preview to stand out from competitors", "Improves your search engine rank", "Feature your specialties & services", "Highlight your special offers & coupons", "Photos and video to showcase your work", "Respond to customer reviews", "Email your best customers to increase your ratings and write reviews", "Reports to track your leads and ROI", and "Dedicated account manager". Below this list is a "Find Out More" link and three icons for "ONLINE", "MOBILE", and "TABLET". An orange "GET STARTED" button is positioned to the right of the "Enhanced Profile" section. The right section is titled "Basic Profile" and features a list of features: "List your FREE listing today:", "Key contact information", "Website address", "Your specialties & services", and "Special offers & coupons". Below this list is a "Find Out More" link. An orange "GET STARTED" button is positioned to the right of the "Basic Profile" section. A red arrow points upwards towards the "GET STARTED" button for the Basic Profile. Above the "Basic Profile" section, there is a section titled "Kudzu consumers are:" with a list of statistics: "93% homeowners", "74% are planning home projects", "\$93,000 household income", "63% college-educated", "75% age 35-64", "67% married", and "63% female". A small footnote below this list reads: "* IPSOS Research, Kudzu audience study 2011".

Step 3- Create your user name, select a password and choose a security question.

Then click **'Continue'**.

If that doesn't work, copy and paste that Web address into your Web browser's address window.

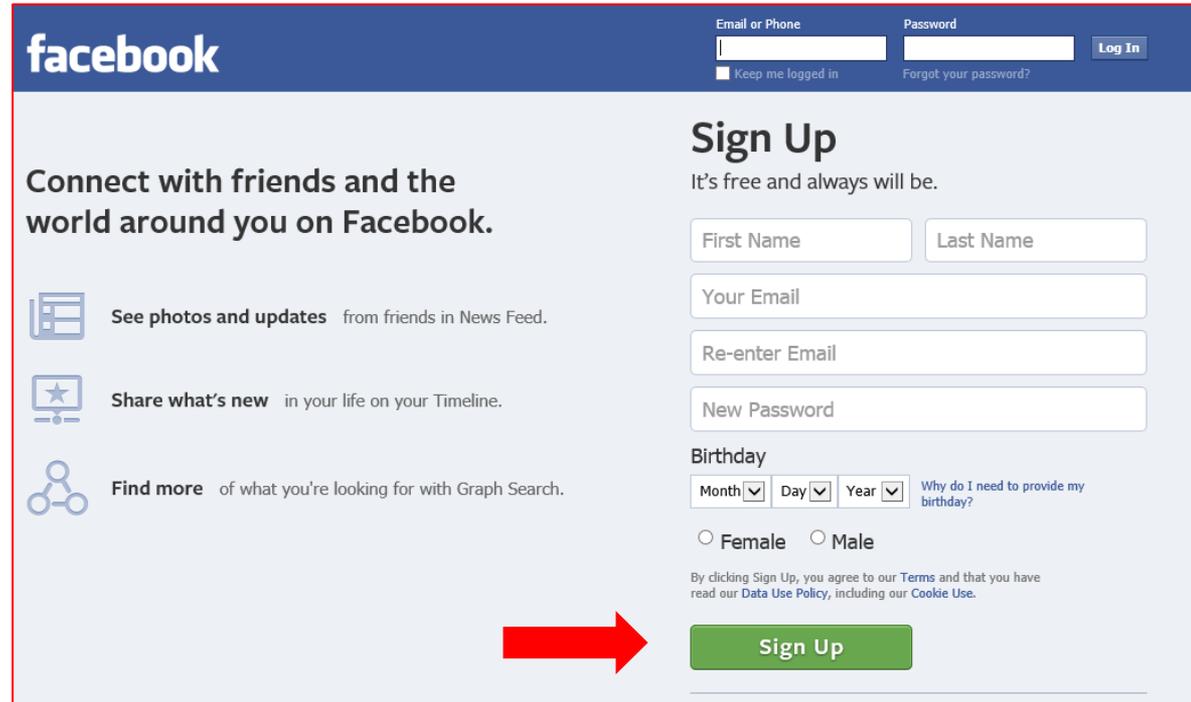

Your business's **Kudzu** listing is now confirmed and will appear on the website in about 48 hours. Now Internet users will be able to search for your business and read reviews from previous clients.

Bonus Section

Facebook Fan Page

Facebook's Fan Page lets you gather as many fans as you want. It also provides a way to interact with a large scale of customers. You can set up **Facebook Fan Page** links on all of your business's online media outlets, which lets online users go to the fan page and directly interact with your company.

This increases your SERPs presence, as well as increasing customer participation and brand recognition.
